SEATTLE PLANT

## MEMO

**TO:** Walter Greer

**DATE:** December 8, 1997

**FROM:** Gerald J. Brown

**SUBJECT:** PCB Documentation

**COPY:** Henrik Voldbaek

Attached is the documentation regarding the PCB content in Seattle's electrical equipment. The inventory is included along with a narrative by Ben McBride that was provided to the EPA during a 1994 TSCA inspection. Also included is a letter from EPA's that summarizes their findings.
